Celebrating an amazing decade

Urban Building Projects Ltd are celebrating a landmark birthday having completed 10 amazing years in business. The company have operated throughout the local region since 2004 specialising in all aspects of domestic and commercial building work.

Fully experienced in all aspects of the construction industry, the team of friendly and professional staff continue to maintain only the very highest standards to a list of happy and growing clients.

Owned and run by husband and wife, Carl and Nicky Palmer, the business is now ready for its next ten years (and beyond) of continued success.

Speaking about the landmark moment, Carl, commented: "It's difficult to believe that it was ten years ago since Nicky and I set up the business but we are delighted to celebrate our anniversary and look forward to the future."

The company's fundamental values of trust, reliability, excellence and innovation have been instrumental in helping to establish a reputation that is second to none.

As well as an enviable and renowned reputation in the residential market, Urban have also worked with clients in the retail, education, health, leisure, commercial, industrial and public sectors. Their corporate clients include Golden Gates Housing Trust, Cheshire Fire Service, Priestley College and Langtree.

Committed to providing the highest standards of workmanship, all their work is in accordance with industry regulations and fully guaranteed.

Urban's mission statement 'to deliver a high standard of building work at competitive prices and give complete client satisfaction every time' is still as strong as the company continues to go from strength to strength.

The Mayor of Warrington Cllr Ted Finnegan and Warrington Wolves' mascot Wolfie helped the Urban team celebrate their 10th anniversary.
