Raise your glasses

HUNDREDS raised their glasses to collect money for charity at the annual Oktoberfest.

The event, at Warrington's Parr Hall, raised thousands of pounds for local charities with visitors able to sample more than 70 ales.

Organised by Warrington Rotary Club, this year was the 15th since the event launched.

Urban Building Projects recently supported the much loved Oktoberfest event that was held at the Parr Hall in October.

The company sponsored one of the barrels entitled Navajo and in the process played their part in raising some money for charity.

Oktoberfest in Warrington was celebrating its 15th birthday with organisers Warrington Rotary Club pulling out all the stops at another fantastic event.
