

Woolston Rovers FC Under Nines "A" Team have enjoyed a highly successful season together after they signed up in a sponsorship deal with Urban Building Projects.

The club finished third in the Warrington Junior Football Premier League, and won the prestigious Warrington Junior Football League Challenge Cup (ahead of the other 50+ entrants). In addition, in the last four tournaments entered, Woolston won one, and in the others were beaten finalists, semi finalists and quarter finalists.

In addition the side recently got to visit the town's Mayor and have also had their photo published in the Warrington Guardian due to a double cup success in one weekend.

Commenting on the sponsorship deal with Urban, Woolston Manager, Dave McCready, said: "Local junior football teams play an important role in the community and give children an opportunity to make new friends, improve their skills and keep fit in a safe environment."

Adding, "Such teams can only run with the support of parents, and sponsorship from local companies and this is why we are very grateful to the kind contribution provided by Urban Building Projects during the 2011-12 season."

Two trophies in two days for Rovers

WOOLSTON Rovers under nines completed a quick-fire double when winning the Warrington Challenge Cup Final and then the Edgerton tournament in the space of just two days.

Rovers came from behind to win the Challenge Cup, going a goal down to Warrington Town before equalising when a perfect cross from Philip Perry was converted by Jack Roberts.

A poacher's goal from Jamie McCready wrapped up the first cup

win in the final minutes of the final, wrapping up a Challenge Cup campaign that included 27 goals across six victories in the competition.

The team then won the under nines Edgerton trophy having defeated eight teams from Manchester, Liverpool and Cheshire, scoring 12 goals and conceding only one on their way to lifting the trophy.
