### Urban nominated at LABC awards

Urban Building Projects Ltd celebrated a fine achievement after being nominated in the 2014 North West Regional LABC Building Excellence Awards.

The company's work was recognised and shortlisted in three areas. They included twice in the category for "Best Extension or Alteration to an Existing Home" based on projects that were carried out on Higher Lane in Lymm (top left) and Field Lane in Appleton, Warrington (top right). Urban were also nominated in the category for "Best Local Builder".

The Field Lane project saw Urban create a double storey extension with bespoke finishes including a second floor balcony area whilst at Higher Lane they created a bespoke double storey extension with cedar cladding and art deco features.

Urban celebrated their success at a black tie presentation evening that was held on April 4th at The Reebok Stadium, home of Bolton Wanderers FC.

Commenting on the success, Office Manager, Nicky Palmer, said: "It was brilliant news to learn that we had been nominated three times in the highly prestigious LABC Building Excellence Awards."

Adding, "The company has only the very highest of standards when it comes to all aspects of our work and we are particularly proud that two of our projects were nominated in the Best Build category as well as also being nominated for the overall Best Builder Award."
